D.T.C. 21-2

March 5, 2021

Petition of Charter Fiberlink MA-CCO, LLC and Time Warner Cable Information Services (Massachusetts), LLC for Designation as an Eligible Telecommunications Carrier.

HEARING OFFICER RULING GRANTING EXTENSION REQUEST

On January 11, 2021, Charter Fiberlink MA-CCO, LLC and Time Warner Cable Information Services (Massachusetts), LLC (together, “Charter”) jointly petitioned the Department of Telecommunications and Cable (“Department”) for designation as Eligible Telecommunications Carriers (“ETCs”) for the purpose of receiving federal funding to offer voice and broadband services including Lifeline within predetermined service areas in Massachusetts (“Petition”).

On February 25, 2021, the Department issued a First Set of Information Requests to Charter related to the Petition, requesting that Charter file responses with the Department no later than 5 PM on March 12, 2021. On March 5, 2021, Charter requested a one-week extension of time to submit responses, to March 19, 2021, citing the large number of states in which it has received information requests related to similar ETC petitions. The Department hereby grants Charter’s request for an extension of time, and establishes a response deadline of March 19, 2021.
